Dear partners,

We invite you to join us at the virtual workshop 'Empowering Europe's vulnerable youth!' at the European Week of Regions and Cities (EWRC) 2020. The session will be run by two ongoing Interreg NWE projects: EYES and IMAGINE.

We want to discuss the **role of European partnerships to co-produce smart support schemes**. More specifically: **schemes that help vulnerable young people to (re)connect to the labour and education market**. In times of corona, this issue has become more urgent than ever.

The workshop builds on (preliminary) project results of EYES and IMAGINE. It will be joined by members of the Interreg NWE Secretariat. We hope to meet you there!

- Helyn Clack, Vice-Chairman, Surrey County Council, United Kingdom
- Katrin Hatzinger, Head of Brussels Office, Protestant Church in Germany
